Introduction

The information contained in the Holy Family School Handbook has been prepared to provide you with important information concerning Holy Family School. The school policies and procedures were instituted to provide your children with a safe, comfortable, orderly, Catholic environment in which to learn and grow.

The framework established by the policies and procedures will not cover every situation that might be encountered during the school year. Should a situation arise which is not covered under policy or procedure, the school administration will make the final interpretation and decision. As with all policies and procedures, the school administration reserves the right to make final decisions in any situation.

Please review the contents of this handbook with your child(ren). We ask the parents' support, cooperation, and assistance in seeing that the school policies and procedures are followed by the children.

Please retain this handbook for easy reference throughout the year.

Dear Families of Holy Family Catholic School,

Welcome! We are looking forward to a wonderful year of growing and learning together in Christ. The following pages provide information that is beneficial to you and your child(ren). It includes rules and regulations that are necessary to maintain a cooperative spirit and the best learning atmosphere for our students. We encourage you to share this information with your child(ren) and become familiar with the policies of our school. We ask that you refer to this handbook for the duration of the school year. May God continue to send his blessings upon us and guide us in ways that challenge us academically, build communities and draw us closer to Him.

Partnering in the Ministry of Catholic Education,

The Staff of Holy Family Catholic School

Mission Statement

The Holy Family Catholic School Community, believing that each student is a child of God, challenges each student to embrace the Gospel message, to achieve academic excellence, and to make a difference in the world.

Profile

Holy Family School is a parish school operated by Holy Family Parish. The school is supported by the whole parish-those who have children in the school as well as those who do not-because the parish sees Catholic education as a ministry of the Church and the ideal way to pass on the Catholic faith to the children of the parish. The school exists to provide a Catholic environment by which parents are supported in their primary duty to educate their children in faith and morals. The school has a Preschool, a Kindergarten, and a First through Eighth grade program. There is also an Extended Care Program available before and after school.

Holy Family opened its doors in September of 1956. The opening of the school and its subsequent additions were the result of the vision and work of Father John Bush, the founding pastor of Holy Family and pastor of Holy Family from 1946 to 1983. A further addition of twelve classrooms was completed in 1998 under the guidance of Holy Family's former pastor, Father James Swiat.

Sister Genofeva was the first principal. Sister Genofeva along with Sisters Blanche and Mary Shawn, Sisters of St. Joseph of Nazareth, Michigan, made up the first Holy Family faculty. The first enrollment consisted of 125 children in grades 1-6 with two grades per classroom. The first graduating class was in June of 1957.

Staff

All teachers are certified by the state of Michigan. Included among the teachers are the physical education teacher, music teacher, Spanish teacher, and computer teacher.

Accreditation

Holy Family School is accredited through the Michigan Nonpublic Schools Accrediting Association. Holy Family School is a member of the Michigan Association of Nonpublic Schools (MANS) and the National Catholic Education Association (NCEA).

Holy Family Parish Membership and Stewardship

When we speak of a Holy Family parishioner in good-standing, we mean a baptized Catholic and a registered member of Holy Family Church who participates weekly in Sunday Mass and contributes time, talent, and treasure through the parish Stewardship program.

The principle that guides us at Holy Family is the principle of Stewardship. We are God's stewards. We believe that all we are and all we have comes from God. As stewards we are called to acknowledge God's gifts to us and respond gratefully by using them for the benefit of others and to accomplish God's work in the world.

Our Parish Stewardship program helps us to recognize what God has given us. Our Time, our Talent, and our Treasure are a sacred trust. One day we must account to God for how we use them. When we make the most of our time, develop our talents, and share our treasure in response to God's call, we are being faithful stewards. Stewardship is the way Christians live.

Holy Family Parish believes in and practices tithing stewardship. By stewardship we understand returning to God the first tenth of all He has given to us -5% through our Church and 5% through other charitable giving. This is the kind of Stewardship recommended in the Bible. Each November all Holy Family Parishioners are asked to make their stewardship pledges for the coming year. When a parish family enrolls children in Holy Family School, their parish membership and regular stewardship are reviewed.

Tithing 5% to the church is simple to compute. If a family's income is \$30,000, their 5% tithe would be \$30 each week. A family with a \$75,000 per year income would tithe 5% by giving \$75 per week. Holy Family school parents must maintain a minimum 3% tithing level to receive reduced tuition.

Holy Family School exists to provide a Catholic environment by which parents are supported in their primary duty to educate their children in faith and morals. Holy Family is committed to the Catholic education of children as one of its primary ministries. Because of the active and generous stewardship of Holy Family parishioners, all parish families receive a discount on tuition. There are further discounts available to active/participating members of Holy Family Parish. All others agree to pay the full cost of education. There are limited financial aid funds available to families in severe financial need. Catholic families relocating to the Grand Blanc area should submit a letter from their previous pastor indicating their active/participating support of their former parish in order to qualify for priority admission and participating parishioner's rate.

Holy Family is a parish school-not a private school. Private schools are usually supported by the money collected from those who use them. On the other hand, a parish school is supported by a whole community of people-those who may have children in the school as well as those who do not-because we see Catholic education as a ministry of our Church and the ideal way we pass on our Catholic Faith to the children in our community.

Tuition

There are three ways to pay tuition:

- Full Payment of tuition by the first day of school. This payment is made directly to Holy Family School.
- Two Payment Option with payments taken directly from a savings or checking account through the FACTS Management Company.
- Ten Payment Option with payments taken directly from a savings or checking account through the FACTS Management Company.

ALL FAMILIES' TUITION AND/OR ANY OUTSTANDING FEES MUST BE PAID IN FULL (OR ENROLLED WITH THE FACTS PAYMENT PROGRAM FOR TUITION) BY THE FIRST DAY OF SCHOOL OR YOUR STUDENT(S) MAY BE EXCLUDED FROM ATTENDING SCHOOL.

FACTS Management Company is a nationally recognized tuition management firm used by private and Catholic schools for collecting tuition. There is a nominal onetime fee to make payments through FACTS.

All parish families receive a discount on tuition. There are further discounts available to active and participating members of Holy Family Parish. To qualify for these discounts it is necessary to apply to Private School Aid Service (PSAS). PSAS compares a family's tithing record to their adjusted gross income to determine eligibility. An active and participating member of Holy Family Church must meet the following criteria:

- Participate in weekly Sunday Mass - Envelopes are required to be placed in baskets each time you attend Mass
- Actively contribute their time and talent to the parish school
- Participates in stewardship and contributes at least that of the average parishioner who tithes 3% or more of their AGI to Holy Family Church for the previous tax year.

Financial Aid:

In addition to the parish discounts, there is limited financial aid available. Financial Aid grants are awarded based on financial need, availability of funds, and according to the same priority expressed in the school's enrollment policy. Grants are made for one year. Financial aid forms are sent to PSAS. Please contact the school office for an application.

Enrollment Policy

No child whose parents desire to enroll him/her in any Catholic School of the Diocese of Lansing shall be denied admission on the basis of sex, race, color, national origin, or religious affiliation. Priority is to be given to Catholic children. Non-Catholics will be accepted if the school possesses capacity for additional enrollees. (Diocesan Policy #5117.1) Students will be admitted according to the following priority:

Children of parish families currently enrolled in Holy Family School, including preschool.

Children of parish families whose children are not currently enrolled in Holy Family School.

Children of families who are members of a Catholic parish other than Holy Family who have children currently enrolled in Holy Family School, including preschool.

Children of families who are members of a Catholic parish other than Holy Family who do not have children currently enrolled in Holy Family School.*

Children of families who are not members of a Catholic parish and who currently have children enrolled in Holy Family School.

Children of families who are not members of a Catholic parish who do not have children currently enrolled in Holy Family School.*

*Families who previously had children attending Holy Family will be given first priority.

Holy Family School is a member of the Genesee County Catholic Schools (GCCS). It is the policy of all schools in this membership to verify that all financial obligations to one school/parish are met before a family may enroll their student in another school in our membership. These schools have a right to notify each other when a family that is leaving a school has not met all of its obligations.

School Re-Registration

Re-registration forms for the next school year are available in January to the entire student body. To register for the following year, parents/guardians should fill out the forms and return them to the school. **ALL REGISTRATION AND TECHNOLOGY FEES ARE NON-REFUNDABLE.**

Kindergarten and New Student Registration

Kindergarten registration is held in March. A letter is sent to parishioners announcing the dates and times of registration. Registration information is also placed in the parish bulletin. Registration for Kindergarten is not accepted prior to the start of registration in March. Registration for Grades 1-8 is accepted starting in January prior to the fall when the new school year begins.

Students are accepted based on the enrollment policy and the order of registration. Acceptance of students into grades 1-8 will also include a review of their previous school academic and conduct records.

Acceptance of a new student into Holy Family is not final until the parents are notified either by letter or phone. Students entering Grades 1-8 may be required to take a placement test to determine grade placement.

ALL REGISTRATION AND TECHNOLOGY FEES ARE NON-REFUNABLE.

Kindergarten: To register for Kindergarten, a child must be five years old by September first of the year the child enters school.

Grade 1: To register for first grade, a child must be six years of age by September first of the year the child enters school.

The following information is needed when registering K-8

- Copy of the Birth Certificate issued by the County Clerk
- Copy of the Baptismal Certificate
- Child's social security number
- Copy of immunization record
- Holy Family Parish envelope number (if applicable)
- Copy of the latest Report Card (Grades 1-8 only)
- Health Appraisal & Hearing/Vision Screening (Grade K only)

Probationary Period for New Students

The first 90 calendar days in attendance will be considered probationary for all students on the basis of the ability to be successful within the academic and behavioral standards of Holy Family Catholic School. The student's ability to function in an acceptable manner physically, socially, emotionally, and academically will be evaluated by the classroom teacher, parents, and principal during 90 calendar days. At the end of or during this period, a determination will be made whether Holy Family Catholic School is the "right fit."

If the student is unable to fully participate in the assigned grade level due to weak academic skills, the student may be asked to transfer to a lower grade level. It may be recommended that the student also be transferred to another school with a program that provides more support for the specific needs of the student. If the student is unable to follow the behavioral standards of the school, counseling, a written contract, or release from the school are all options.

Faith Formation

The purpose of Holy Family School is to educate our Catholic young people in their faith and to encourage the growth of the church. The school provides opportunities for the students to grow in their faith through their religion class, participation at Mass, morning Assembly, prayer services, and opportunities to receive the sacraments.

As aptly stated in Church documents, it is parents who are the primary educators of their children. Therefore, it is essential that you, as parents, provide faith formation experiences for your children, witness to your faith through your own Christian living, develop and foster a commitment to prayer, and participate actively and regularly as a family in a weekend Holy Family Parish liturgy.

- Adoration: Students in grades K-8 take the opportunity each Tuesday to gather in church for Adoration of the Blessed Sacrament.
- Assembly: The students in Grades 1-8 gather in the gym on Mondays for assembly. Assembly is a time for Morning Prayer as a school community.
- Mass/Prayer Services: Students in Grades 1-8 attend an All-School Mass weekly, a grade level Mass biweekly, and on Holy Days and Feast Days. Kindergartners celebrate special prayer services throughout the school year and attend Mass once each month.
- Stewardship: Students have the opportunity to share their time, talent, and treasure through service projects during the year.
- Reconciliation: The students are given the opportunity to receive the Sacrament of Reconciliation during the school year.
- Sacramental Preparation: Students in Second Grade prepare for and receive the sacraments of Reconciliation and Holy Eucharist. Students prepare for the sacrament of Confirmation in eighth grade.

Parent-Teacher Organization

The Parent-Teacher Organization is a vital part of the life of Holy Family School. Through its fund-raising and volunteer work, it provides many benefits for both students and teachers. All parents and guardians whose children attend Holy Family School are automatically members as well as the priests, administrators, and teachers.

Parent-Teacher Organization Objectives:

- To provide a medium for parents and faculty to work together for the benefit of Holy Family School in the areas of communications, public relations, fund-raising, and special programs.
 - **Mandatory Fund Raiser: Panther Draw Raffle.** Each family is required to sell a certain minimum of tickets each year. Drawing is typically held at each year's School Christmas Program

Parent-Teacher Organization (continued)

- (specific date varies each year, please refer to your Panther Draw packet for further details).
- Major Spring Fund Raiser: **Holy Family School Auction**. More information follows throughout the school year.
- To assist the faculty and staff in providing a spiritual and academic environment.
- To increase parent and teacher participation by attending meetings and sharing time and talents.
- To promote goodwill and cooperation within the Holy Family Community

Holy Family Athletic Boosters

The Holy Family Athletic Boosters is a parish-wide organization and the force behind many parish activities. The total cost of our athletic program is entirely underwritten by the Holy Family Athletic Boosters. Because of their support, any student in 5th – 8th grade, who wishes can be part of an athletic team. All school families are encouraged to join the Holy Family Athletic Boosters.

Advancement Committee

The Holy Family School Advancement Committee was formed in October 2005 to assure the continuing existence of Holy Family School through marketing and long-term financial support. The Advancement Committee’s mission is to be an advisory group to the school administration, to help promote Holy Family School, and to aid in securing financial support for its future growth and development. The Committee reports up through the parish Education Commission and meets monthly during the school year to make decisions that carry out the purpose of the Committee.

Start of School

The bell for the students to enter school rings at **7:45 A.M.**

Instruction begins at 7:50 A.M.

The buses drop off the students in the lower parking lot. When students are dropped off they should go directly to their classroom.

Walkers should not be dropped off before 7:35 A.M. as there is no adult supervision. The students are to remain outside until the bell rings.

When dropping students off in the morning, drivers are to use the northern-most driveway across from the Hill Funeral Home to enter the parking lot. There are two drop off locations. Grades 2-4 should use the Orchard Street Drop off. Orchard Street is a one way street from 7:15 A.M. to 8:15 A.M. and again from 2:30 P.M. to 3:15 P.M. Grades K – 1 and 5 – 8 should use the Lobby Drop off. Please exit the parking lot by using the driveway between Nazareth and the Church or by the Orchard Street exit. We encourage you to use the DROPOFF ZONE and not walk your child(ren) up to the school. For the safety of everyone involved, it is necessary for everyone to follow the path and drop off in the designated areas ONLY!

The lower parking area is reserved for bus service.

Dismissal

Bus riders Dismissal: 2:56 P.M.

Walkers Dismissal: 3:00 P.M.

Students riding the buses board the buses in the lower parking lot by the Father Bush Parish Center. The buses then take the students home. **If your child is normally bused, and you wish to pick him/her up after school, it is necessary to call the school office by 1:00 P.M.** All bus riders will ride the bus unless the teacher receives a note or the office is called notifying us that the student is to be a walker. If we do not have a note or receive a call, the student will be put on a bus.

At dismissal, walkers should be picked up in the upper parking lot. **The lower parking lot is reserved for bus service.** Parents picking students up after school are asked to please wait outside the building. We ask that you do not go to the classroom or wait in the halls. This procedure will allow for an orderly dismissal. You are to exit the parking lot using the driveway between Nazareth and the Church or by the Orchard Street exit. If your child cannot be picked up by 3:10 P.M., please make other arrangements. Our Extended Care Program is open from 6:00 A.M. to 6:00 P.M.

If there is a change in a K-4th grade student's method of transportation at dismissal, a written note must be sent in to the student's teacher with this information.

It is very important for you to drive carefully, slowly, and alertly, and follow the marked roadway.

Financial Policy

Holy Family expects each family to commit to paying tuition and all fees incurred (cafeteria, library book fines, extended care, etc.) during the school year in full and in a timely manner. **Extended Care drop-ins must pay upon arrival. An account may be set up for pre-payment.** If there is a family circumstance that arises which makes it difficult to fulfill financial obligations, it is your responsibility to contact the Holy Family pastor and principal to make specific arrangements for resolution. Outstanding balances may prevent participation in school/school activities. Payments to the school may be made by cash, check or credit card. If a family has two incidents of returned checks, we will no longer be able to accept a check as a form of payment. We will request that payment be satisfied in the form of cash, credit card, certified funds or money order for the remainder of the school year. A \$20 charge will be assessed for each returned check. Returned check fees must be satisfied with replacement funds.

Transportation

The Transportation Department of the Grand Blanc Schools establishes the bus schedules and determines the bus stops and routes.

Students may not change busses without a serious reason. All requests for an “emergency” bus pass to ride another bus should be made through the Transportation Office (591-8965). If approved, the Emergency Pass will be issued by the Transportation Department, who will notify the school office and the bus driver. **Only the Transportation Department can give permission for a student to change buses or ride a bus.**

Late Start Transportation

The Transportation Department of the Grand Blanc Schools will provide transportation on Late Start dates. Pick up times will be delayed two hours and twenty minutes. A Late Start Pick Up Schedule will be posted on our website and PowerSchool.

Emergency Card

At the beginning of each school year, an emergency data card must be filled out for each child. This card must be filled out completely and signed by the parent or guardian. These cards are used in cases of emergency when it is crucial that the school be able to immediately contact you or your designee. Please inform the school of any changes of information pertinent to the emergency card that may occur during the year. Children are only released to those designated on the emergency card.

Non-Custodial Parent

Holy Family School abides by the provisions of the Family Educational Rights and Privacy Act with respect to the rights of the non-custodial parent. In the absence of a court order to the contrary, Holy Family will provide the non-custodial parent with access to the academic records and to other school related information regarding the child. If there is a court order specifying that there is to be no information given, or that one parent does not have legal access, it is the responsibility of the custodial parent to provide the school with an official copy of the court order in its entirety.

Child Protection Law

The Child Protection Law requires the reporting of child abuse and neglect. School personnel are required to report any reasonable cause to suspect child abuse or neglect immediately. Reports are made by telephone or orally to the Department of Social Services and to the school administrator. A written report must follow within 72 hours. Further information concerning this law is found in Diocesan Policy #5142.1.

Attendance Policy

Regular student attendance, an essential cornerstone of learning, is based upon a partnership between home and school. Together, they can help to develop responsible habits for future schooling and employment. The attendance habits that are developed in elementary school will continue through middle school, high school, and college. Students who are encouraged to be in school are likely to value the importance of education. They have a better chance at success due to these values.

Consistent, regular attendance is essential if a student is to achieve his/her best ability. When a student is absent, it places that student behind what his/her classmates are learning. Not only does the student need to make up the material from the day that he/she was absent, but it also places him/her at a disadvantage for the current day's work because the student doesn't have the previous day's knowledge on which to build. In some subjects, such as math, this is crucial.

When a student is absent from school, parents should notify the school by phone using extension 400 to leave a message and to request homework prior to 10:00 A.M.

Students must be in school on the day of an extracurricular event in order to participate. Students tardy due to illness or other appointments must be in school by 11:00 A.M. to participate in after school activities (i.e. athletics, dances, etc.) Students must finish the day to participate in after-school or evening activities.

Homework Policy

Students are expected to complete all assignments given by the classroom teachers.

Make-Up Work

Teachers will provide students with assignments missed during an absence. They shall accept a student's work for credit that was due during the time of their absence. The work may be made up prior to, during, or immediately following the absence, by arrangement with the teacher involved.

It is important to note that it is the *responsibility of the student* to arrange with the teacher for obtaining and submitting any make-up work for an absence. Work should be made up within the following timeline:

There is one school day grace period for each day absent up to a maximum of five (5). Assignments given before the student was absent are due the day the student returns to school.

Requesting make-up work must be done when the parent/guardian calls in the child's absence to the office. When requesting make-up work, it is important to indicate whether the work is to be sent to another student or to the school lobby. Any work sent to the lobby will be available for pick up between 3:00 and 4:00 P.M.

Textbook Policies

All hardcover books are to be covered. Covering of soft cover books is up to the discretion of the teacher. All books are to be kept in the best possible condition with no writing in or on the books. Fines will be assessed for damaged books .

Extended Care Policy

All parents using Extended Care who submit a monthly schedule must pre pay for services on the first and third Monday of each month. Financial adjustments to schedule changes will be made accordingly. **Extended Care drop-ins must pay upon arrival. An account may be set up for pre-payment.** Failure to comply may result in the discontinuation of Extended Care services. Any family account that is not paid current may not be allowed to attend Extended Care until balance paid in full.

Absences/Tardiness

A student who arrives to school more than one hour late, leaves during the day for more than one hour, or leaves at the end of the day more than one hour early will be marked a 1/2 day absence.

Absences:

In order to fully partner with you and to remain compliant with the Michigan Compulsory Attendance Laws, we use these guidelines:

1. At 8 unexcused absences, we notify the parent/guardian.
2. At 10 unexcused absences, we notify the parent/guardian and request a meeting.
3. At 12 unexcused absences, we notify the parent/guardian to schedule a meeting to discuss if your student will be able to remain at Holy Family School.
4. At 15 unexcused absences, we notify the truancy officer for Genesee County.
5. **Please note: 3 tardies constitute 1 unexcused absence. (Effective 9/8/2015)**

Tardies:

A student is tardy if they arrive in class after 7:50 A.M. or if they leave before 2:56 P.M.

Three (3) tardies will equal one (1) unexcused absence. The school day begins with the bell at 7:45 A.M. A student shall be considered tardy if he/she is not present in the classroom at the time instruction begins at 7:50 A. M.

If a student arrives late for school, the student should report to the lobby and get a classroom admittance slip from the receptionist.

If it is necessary for a student to leave school during the day (i.e. doctor/dentist appointment), a note or explanation must be presented to the teacher/office. A note from the doctor/dentist is acceptable. The student must be picked up in the office and signed out. We do not permit students to be dismissed from the playground or anyplace other than the office.

If the student returns to the school before the end of the day, he/she should stop at the lobby desk and get a classroom admittance slip from the receptionist. Doctor/dentist notes may be presented at this time.

Quarterly Perfect Attendance

A student will receive a quarterly perfect attendance award if he/she is present for all class time during that quarter. Students will be recognized each quarter at a school assembly. A tardy will disqualify a student from receiving perfect attendance.

Vacations

Every effort should be made to schedule family vacations on non-school days. Vacations encompassing school days are highly discouraged.

Vacations (continued)

A child who has been absent is always at a disadvantage because it is impossible for a teacher to repeat the experiences of the classroom. It is acknowledged that absences beyond five (5) school days may be difficult to make up and can compromise a student's academic progress. Some of the work missed because of an extended absence is very difficult to complete.

Class discussions, oral recitations, and science experiments are virtually impossible to make up.

It should be understood that it is not always appropriate to assign work prior to instruction. Upon return to school, it is the student's responsibility to make arrangements with the teacher(s) for obtaining and submitting make-up work. The student will have one (1) school day for each day absent, up to a maximum of five (5) days, to make up the work.

Assignments given before the student was absent are due the day the student returns to school.

Student Illness

If your child is ill, please call the school attendance line (ext. 400) prior to 10:00 A.M. to report the absence.

Please be aware that it is necessary that a child be without fever for a full 24 hours after an illness before returning to school. In addition, if an antibiotic has been prescribed, it is recommended that the doctor's instructions be followed as to when the student should return to school.

Following below is a summary of the Health Department publication entitled "When to Keep Your Child Home". Holy Family School will use these guidelines to determine if a child should be sent home from school as well.

- **FEVER/COLD:** Do not allow child to return to school until fever-free for 24 hours. "Heavy cough" and hacking cough-please keep home in bed even if there is no fever
- **SORE THROAT:** Sore throat, but NO other symptoms, send to school. If your child has been diagnosed with strep throat, keep your child home for at least 24 hours after starting antibiotics.
- **RASH:** Do not send a child with a rash to school until your physician has said it is safe to do so.

- **EARACHE:** Consult with your physician.
- **VOMITING:** Keep the child home. Consult your physician if it persists.
- **DIARRHEA:** Keep children home until stools are formed and your physician gives the okay.

- MILD COLD/RESPIRATORY SYMPTOMS: No reason to keep children at home so long as their nasal drainage is clear and their cough is mild.

If a child becomes ill during the school day, a parent, relative, or person designated on the child's Emergency Card will be notified to come get him/her.

Medication

By law, the school cannot administer any medication without written permission of a parent/guardian. By definition, medication includes both prescription and non-prescription medications and includes those taken by mouth, taken by inhaler, those which are injectable (epi-pen), applied as drops to eye or nose, or applied to the skin. Any medication should be taken at home if at all possible.

If you wish your child to take medication at school, please follow the following principles:

Medications needing to be given at school are to be brought to and from school by a parent.

- Medications must be in their original containers.
- Medications (prescription and non-prescription) must be accompanied by written, signed instructions from a physician and signed authorization by a parent/guardian. Forms to be signed by the parent and physician may be obtained from the school office, or on PowerSchool. These forms must be renewed at the beginning of each school year.
- Physician written orders must match prescription instructions on the container's label.
- Tablets must be sized for proper dosage (e.g. cut in half, etc.) prior to bringing medicine to school.
- Students must provide their own measuring cup or spoon if needed.
- Medications will be kept in the school office for the student to take with supervision by administration or trained staff. Emergency medications will be kept in the office area and other locations as necessary.
- Parents may request permission for a student to carry and self-administer their own asthma inhaler or epi-pen if written permission is presented from the physician and parent, and notification is provided to the principal and classroom teacher.

Medication (continued)

- **It is the responsibility of the student to report to the office at the time the medicine is to be taken**, unless prevented by a disability or other principal approved reason.
- *Refill of the prescription is the responsibility of the parent.*
- Expired medications will **NOT** be administered.
- **Medicine will be discarded if not picked up on or before the last day of school.**

Prescription Medication:

If it is necessary for a student to take prescription medication during school hours, the law requires that the school receive written authorization from both the parent and the doctor, as well as the doctor's instructions for administering the medication and the dosage. The school office will provide a form for this. The form "Prescription Medication Authorization Form" may also be found on PowerSchool. Upon entering the school, the parent/guardian must report to the school office with the medication. The medication must be taken in the presence of designated school personnel.

Non-Prescription Medication:

The parent/guardian must provide the school with written permission to administer non-prescription medication (i.e. Tylenol, Benadryl, nasal sprays, cough drops, etc.) The "Non-Prescription Medication Authorization Form" must be filled out in the office when leaving the medication. The form may also be found on PowerSchool. Upon entering the school, the parent/guardian must report to the school office with the medication. **The medication must be in the original packaging** and must be taken in the presence of designated school personnel.

Student Self-Administered/Self Possession of Medication:

By definition, self-administration means that the student is able to apply a metered dose inhaler or dry powdered inhaler to alleviate their asthmatic symptoms, or an epinephrine auto-injector or epinephrine inhaler to treat anaphylaxis (a severe allergic reaction that can range from mild to life-threatening with symptoms that include itchy hives; swelling of the lips, tongue, or eyes; throat swelling; nausea and vomiting; and wheezing and difficulty breathing) in the same manner directed by his/her physician without any additional assistance or direction.

Self-possession means, that under the direction of the physician, the student may carry medication on his/her person to allow for immediate and self-determined administration. In order to self-administer medication, all of the following criteria must be met:

Medication (continued)

- The student has written approval to possess and use the inhaler or epinephrine auto-injector from the student's physician or other health care provider authorized by law to prescribe an inhaler or epinephrine auto-injector and, from the student's parent/legal guardian.
- The principal/school office has received a copy of the "Procedure for Student Self Administration/Self Possession of Medication" form, available in the school office or on PowerSchool.
- There is on file in the school office a written emergency care plan that contains specific instructions for the pupil's needs that is prepared by a physician licensed in this state in collaboration with the student and the student's parent/legal guardian, and that is updated as necessary for changing circumstances. Forms may be obtained in the school office or on PowerSchool.

Any medical concerns need to be documented for the school office via the emergency cards and medical concern form sent home with each student.

Chicken Pox

Before a child with chicken pox may return to school, all sores must be completely dry. Sores should be scabbed over and scabs should be falling off.

Head Lice

If your child does contract head lice, you are to contact the school office immediately. If your child develops/contracts head lice during the school day, the child will be sent home that day. There are a variety of medications to kill head lice available for purchase over the counter or by prescription from the doctor.

Your child must be cleared by the school office before returning to class. It is important to monitor the effectiveness of the medication for a couple of days.

The school office can answer any further questions you may have.

It is necessary to inform the school office if there is a suspected or confirmed case of meningitis. Information as to when a child can return to school shall be determined by his/her doctor. The office will inform all school families of any suspected or confirmed cases.

Visitors are always welcome at Holy Family School. ***So as not to disturb class instruction, any visits to your child's classroom must be planned and arranged and confirmed with the school office or teacher.*** In order to ensure the children's welfare and the proper operation of the school, we require all visitors to sign in at the desk in the school lobby and wear the provided name badge. **The receptionist reserves the right to ask for proper identification of any visitor.**

Personal Safety

It is important to review with your child that he/she should reject a ride home from a stranger. Law enforcement officials and the school should be notified immediately if such a situation occurs.

Does your child know where to go if there is an emergency and school is dismissed early? A plan should be established of what your child should do if school is dismissed early and you are not home when they arrive.

Student Conduct and Behavior

Guides of conduct and behavior have been established to maintain order and safety for all students and school personnel, to create a positive educational atmosphere, and to promote pride in Holy Family School.

All parents are expected to be knowledgeable of the guidelines for student conduct and behavior and support the school in the enforcement of discipline. All students are to know and comply with the guidelines for student conduct and behavior. If a student or parent is aware of a serious infraction of school rules, the student or parent should contact the teacher or principal. The responsibility of ensuring a safe school is the responsibility of the faculty and administration as well as students and parents.

Code of Discipline

The Code of Discipline has been established to maintain order and safety for all students and school personnel, to create a positive educational atmosphere, and to promote pride in Holy Family School. The essence of Christian discipline is self-discipline. Students at Holy Family School are expected to act in a fashion that their behavior reflects the values and principles of the Christian Gospel and the teachings of the Catholic Church. Students must show consideration to all persons who are members of the educational community and contribute to an atmosphere conducive to learning. (Diocesan Policy #1531).

The essence of Christian discipline is self-discipline wherein a student is brought to awareness that true freedom and the ability to direct one's actions responsibly are synonymous. In order to assist the student to achieve such discipline, clearly stated expectations and responsibilities are necessary. Respect for the dignity of the student precludes the use of corporal punishment as a means of seeking adherence to the rules and regulations of the school (Diocesan Policy #5144).

Students at Holy Family School are expected to conduct themselves as courteous, respectful, and cooperative Christian young people at all times. This implies that respect and cooperation should be shown to all teachers, school personnel, bus drivers, parent supervisors and volunteers, coaches, other students, and visitors to the school and parish. Students are expected to possess self-discipline and to be respectful, considerate, and cordial toward each other in the classroom, cafeteria, on the playground, on the bus and on athletic teams. **In particular, reverent participation is expected at Mass and at all liturgical functions.**

Code of Discipline (continued)

The Code of Discipline applies to all school and school sponsored programs and activities, whether held on school/parish property, or at another location. The Code of Discipline is based on policies and guidelines established by the Diocese of Lansing.

Serious infractions, insubordination, persistent discipline problems or exceptional cases of misbehavior are referred to the principal. In general, classroom teachers handle the discipline of the class.

If a social, behavioral, academic, or any related concern should develop regarding a child, the following procedure should be followed:

1. Contact the teacher to discuss the concern.
2. If after a conference with the teacher the concern has not been resolved, make an appointment to meet with both the teacher and principal. All parental concerns will be given courteous consideration and careful investigation by the principal and teachers, and a satisfactory resolution will be sought.
3. If contact with the teacher and the principal has not resulted in the matter being satisfactorily resolved, parents may appeal to the pastor.
4. In the event that a satisfactory resolution of the problem is not obtained, an appeal may be made to the Chairperson of the Department of Education and catechesis of the Diocese of Lansing (Diocesan policy #2450b).

Bullying

“Bullying” is conduct that meets the following criteria:

- Is reasonably perceived as being dehumanizing, intimidating, hostile, humiliating, threatening, or otherwise likely to evoke fear of physical harm or emotional distress
- Is directed at one or more pupils;
- Is conveyed through physical, verbal, technological or emotional means;
- Substantially interferes with educational opportunities, benefits, or programs of one or more pupils;
- Adversely affects the ability of a pupil to participate in or benefit from the school’s educational programs or activities by placing the pupil in reasonable fear of physical harm or by causing emotional distress, and;
- Is based on a pupil’s actual or perceived distinguishing characteristic (see above), or is based on an association with another person who has or is perceived to have any of these characteristics.

Any instances of bullying at school will be taken seriously, investigated and appropriate consequences will be given.

Bullying (continued)

How do we prevent bullying at Holy Family Catholic School?

Strategies to prevent bullying will only be effective when placed within the context of a culture in which respect for others is consistently taught and demonstrated across all facets of school life. The Christian values, which represent the antitheses of bullying, must be continually affirmed in words and actions.

The Role of Teachers:

- Act as role models of caring and tolerant behavior
- Listen to reports of bullying
- Protect the victim from further harm
- Act to stop the behavior from recurring
- Raising awareness through the curriculum

The Role of Students:

- Students who are being bullied must speak to their teacher and give him/her full details of the event
- Students who witness the bullying will intervene if they are able or immediately seek teacher assistance if they can't intervene.

The Role of Parents:

Parents play a key role in support of both the victims and perpetrators of bullying. The school must work in partnership with parents in the disciplinary process.

- Let your child know that bullying in any form is never acceptable. Listen to your child and take his/her feelings and fears seriously.
- Make sure your child knows that being bullied is not his/her fault
- Avoid calling your children names like "weak." Don't tell them "not to worry, to forget it, to toughen up."
- Avoid bullying tactics around your children, so they don't get mixed messages.
- If bullying is verbal, help your child develop the skills to respond to bullying. Practice a supply of quick (not insulting) responses -for example: "that's your opinion."
- Avoid the urge to take everything into your own hands unless absolutely necessary, as this will make your child feel less in control.
- Help your child feel good about the other things in his/her life. Feed his/her self-esteem.
- When it is clear that your own child is the bully, recognize the seriousness of the issue and support the school in implementing this policy.

School personnel will confiscate all such items. Confiscated items will be held in the school office until picked up by a parent or guardian within 7 days.

The property of other students and adults is not to be disturbed or touched, including items in a locker, closet, hallways, or on/in a student’s or teacher’s desk.

Students and their personal property (backpacks, purses, etc.) are subject to search if a school official has reasonable cause to believe that a student is in possession of illegal, unauthorized (stolen), hazardous, or contraband (substances/materials prohibited by school policy or state policy) items. Lockers are the property of the school and may be inspected at any time by school personnel.

Students should not bring fund-raising items (candy, popcorn, etc.) to sell at school. Students may take orders, but the product itself should not be sold at school.

Cell Phones/Mobile Devices

Cell phones/mobile devices are a privilege that parents provide for their children. They are not a necessary tool for attending Holy Family School. Holy Family School provides any needed technology for students to enhance their learning. If you chose to provide your child with a cell phone/mobile device and he/she brings the phone to school, the following rules will apply.

- Cell phone/mobile device must remain in back pack and turned off for the entire school day from the hours of 7:50 A.M. – 3:05 P.M.
- Anyone caught having a cell phone/mobile device out and/or using it during the school day or on school property will result in the phone/device being confiscated and placed in a safe in the school office.
 - **First Offense:** Parents will be notified and must make arrangements to pick up the device in the school office.
 - **Second Offense:** Parents will be notified and must come to the school office to retrieve the device. The student will be given a one day at home school suspension. This progressive discipline is subject to the severity of the offense.

Classroom Behavior

The teacher has the authority in the classroom and handles the discipline of the class. Respect and consideration for the rights of all students must be exhibited by application to study and proper behavior in the classroom. Any student who cannot conduct himself/herself properly and/or interferes with the learning atmosphere will be asked to leave the classroom and report to the principal. If there is no improvement in behavior, the parents will be notified.

Cafeteria Behavior

There are volunteers daily in the cafeteria to supervise and to assist the students. These volunteers should be shown respect and cooperation by the students.

Students who cannot follow the cafeteria guidelines or cooperate with the cafeteria volunteers and workers will be reported to the office. Students may lose cafeteria privileges for improper behavior.

Cafeteria Behavior (continued)

1. Students should remain seated at their assigned tables.
2. There should be no shouting-students are to talk in a normal voice.
3. Students are not to throw or “flick” food, or to take food from others.

5. Students are to clean their own area and push in their chairs before leaving the cafeteria.
6. Students should not bring food/drinks into the restroom or hang out in the restroom.
7. No food or drink is to be brought back to the classrooms or out onto the playground.
8. Students are to walk as they move through the cafeteria.

Playground Behavior

The students go outside every day, weather permitting. During the winter months the students will go out on the playground even if it is for a short time. We ask that you make sure your children are dressed warmly, and when there is snow on the ground, that they wear boots. If the temperature is zero or the wind chill is zero, the students do not go outside.

There are four playground supervisors on the playground every day. These supervisors are in authority during the playground period, and the students should discuss playground problems with them. The students are to show respect towards the playground supervisors and follow their directives.

1. Students are to remain in the designated play area.
2. Students are to play safely. Tackle games, keep away, and rough play are not allowed.
3. Throwing of stones or snow, in any form, is not allowed.

11. When the whistle blows, students are to return equipment to the playground supervisors and line up promptly.

They shall also report crimes to school officials committed off school property that they have reason to believe may pose a threat of imminent danger to students, staff or school property.

Weapons

Students participating in school, religious education, or youth ministry programs are prohibited from bringing weapons into the school or parish buildings, onto school or parish premises or in the immediate vicinity of the school or parish; at school, religious education or youth ministry sponsored activities; onto a school bus or in route to or from school, religious education or youth ministry programs. Violations of this policy render the student liable to immediate expulsion.

State law requires the expulsion of students who possess a dangerous weapon on school/parish property (including a bus) or at school activities or who commit arson or rape in a school or on school grounds.

A “dangerous weapon” refers to a firearm, dagger, dirk, stiletto, knife with a blade over three inches in length, pocket knife opened by a mechanical device (switch blade), iron bar, or brass knuckles. This law (P.A. 328) provides for the permanent expulsion of students who violate its provision. The expulsion is mandatory, meaning the school must expel the student.

Michigan law does provide for possible reinstatement after a certain period. If the student is in grade six or above, the student may be readmitted after one hundred eighty (180) school days. If the student is in kindergarten through grade five, reinstatement is possible after a ninety (90) school day suspension. It is important for parents and students to know that the expulsion applies to all Michigan schools. A student cannot be admitted to any public school in Michigan during the expulsion period (Diocesan Policy #5131-B).

Alcoholic Beverages/Narcotics

No alcoholic beverages shall be carried onto, purchased, sold or consumed by students on any property under the jurisdiction of this board or at events or activities carried on under its auspices. Nor shall any student who is under the influence of alcoholic beverages be present on such property or at such events or activities. Violations of this policy render the student liable to immediate suspension or expulsion.

Narcotics (controlled substances) as defined by law, shall not be carried onto, purchased, sold or consumed by any student on property under the jurisdiction of this board or any events or activities carried on under its auspices. Nor shall any student who is under the influence of such narcotics be present on such property or at such events or activities. Violations of this policy render the student liable to immediate suspension or expulsion (Diocesan Policy #5131-A).

Vandalism

Students and their parent(s) shall be financially liable for any damage to property under the jurisdiction of this board as may be intentionally inflicted by such students. This liability applies to items such as, but is not limited to, books, supplies, equipment, buildings, and ground. (Diocesan Policy #5131.5).

Sexual Harassment

The Diocese of Lansing absolutely prohibits sexual harassment of any kind in the work place. Unwelcome sexual advances and verbal or physical conduct of a sexual nature will be considered sexual harassment.

Sexual harassment may include explicit sexual propositions, sexual innuendo, suggestive comments, sexually oriented “kidding” or “teasing”, “practical jokes” about gender-specific traits, foul or obscene language or gestures, display of foul or obscene printed or visual material, and physical contact such as patting, pinching, or brushing against another’s body.

A substantial charge against a staff member or a student in the Diocese of Lansing shall subject such person to disciplinary action (Diocesan Policy #5141.2).

Sexual abuse is any sexual contact in violation of the laws of the state of Michigan between any person covered by this policy (clerics, religious, employees, seminarians, students, volunteers) who has reached the age of majority and a minor or vulnerable adult. Alleged sexual abuse demands an immediate response. It must be reported to civil and church authorities. There must also be a response to the damage inflicted on the victim, the victim’s family, and the community.

The Diocese of Lansing will comply with the laws of the United States, the state of Michigan, and all other applicable civil and criminal laws.

Any cleric, employee, seminarian, volunteer, or student of the Diocese of Lansing who knows, or has reason to believe, that an incident of sexual abuse of a minor has occurred shall comply with state reporting requirements, specifically Child Protection Law (Act 238 of 1975).

Student Suspension

Each school, realizing its obligation to the students, must extend every reasonable effort to assist students to adjust to the social and academic requirements of the school environment. Decisions to suspend should follow only after other means of motivation have failed and/or attendant circumstances of crime, scandal, morality, or disruption necessitate this extreme disciplinary action.

In reaching such decisions, consideration must always be given to the welfare and Christian development of the individual student and the practical, common good of the entire student body (Diocesan Policy #51411).

When a student is suspended from class, he/she is expected to complete all assigned work. The student should be prepared for class upon his/her return with all work completed. Make-up work will receive partial credit (50%).

Tests made up will be reduced by one letter grade. Long-term assignments/projects that encompass work assigned before/during suspension will be accepted for full credit.

Student Expulsion

Expulsion shall be defined as the permanent dismissal of a student from the school. It shall be enacted only as a last resort after other means of motivation and correction have failed and/or attendant circumstances of crime, scandal, morality, or disruption necessitate this extreme disciplinary action.

An expulsion must involve: (1) prior notice to parent/guardian of the general nature of the punishable offense and violation; (2) referral to the Diocesan Superintendent or his/her delegate; (3) notification of an appeal process (Diocesan policy #5114.4).

The pastor or principal reserves the right at his or her discretion in the best interest of the school to waive and/or deviate from any and all disciplinary rules, practices or procedures.

The total cost of our athletic program is entirely underwritten by the Holy Family Athletic Boosters.

Athletic Eligibility

Each student must have an athletic physical form on file with the school **BEFORE** they are allowed to practice or play any sport. These forms can be downloaded from www.hfssports.com or obtained from your physician's office.

Attendance: Athletes must be in school on the day of a game. Athletes tardy due to illness or other appointments must be in school by 11:00 A.M. to participate in a game. Athletes must also finish the school day in order to participate in a game. Any absence on the day of a game must be pre-approved by the Athletic Director or Principal before the athlete will be permitted to participate.

In the case of a doctor's appointment, a doctor's statement must be presented upon an athlete's return. All athletes are expected to be in school the day following an athletic event.

Academic Eligibility:

- A. In order to help parents and students evaluate whether involvement in Holy Family athletics is affecting academic performance, a deficiency notice will be sent home at mid-quarter for any student who is in academic difficulty (65-74%) or is failing (64% or below) a class.
- B. If a student is failing two of his/her classes at mid-quarter, he/she will be suspended from the team for one week. In that week, the student will need to improve their academic standing to passing grades in order to return to the team or activity. After a week, if the student is still failing two subjects, he/she will be removed from the team for the remainder of the season.
- C. If a student is failing two of his/her classes at the end of the marking period, he/she will not be allowed to participate in a sport during the following marking period.
- D. If a student fails two classes for the year, he/she will be required to attend summer school in order to regain eligibility for the following year.
- E. Study habits, attitude, effort and conduct ratings need to be satisfactory in order to remain on the team.

Asbestos Program

In 1998 Holy Family removed all friable asbestos from the classrooms, halls, etc. The Environmental Protection Agency requires us to perform re-inspections of our building every three years. The Diocese of Lansing has contracted the W. M. I. Environmental Services of Kalamazoo to do these re-inspections. The results of the re-inspections are on file in the management plan in the school office and may be reviewed during normal school hours.

Pesticide Notice

As required by the Michigan Department of Agriculture, parents have the right to be informed of any pesticide applications made to the school grounds or buildings. In certain emergencies, pesticides may be applied without prior notice. If you need prior notification, please contact the school. Holy Family School has rarely had any type of pesticide application.

Media Release Form

Parents and guardians should take note that Holy Family School designates photographs and video recordings of students engaged in school activities as a category of "directory information". Therefore, these photographs and video recordings may be disclosed without written consent under the Family Educational Rights and Privacy Act, 20 USC 1232g. Further, please note that parents and guardians may opt out or deny consent to the release of such information on the form sent home in the fall.

Smoke Free Building

Holy Family School is considered a smoke free campus. There is no smoking permitted in the following buildings: school, gym, St. Joseph Center, and Father Bush Parish Center.

APPENDIX A

Cheating Policy

Academic integrity in student work means that the product comes from a student's own mind and effort. Cheating denies all students the equal opportunity for success. It compromises learning and integrity and is in conflict with our Catholic teaching. We define cheating as the use of unfair means in an attempt to enhance performance such as:

- Copying from another student or sharing work with another student
- Unfair use of calculators or communication devices (i.e. cell phones, PDA's, e-mails, text messages, etc.)
- Communicating with another student during or about tests
- Making use of notes or text books during a test unless specified by the teacher
- Having another person, including a parent, provide answers or complete work for a student
- Taking credit for a project when letting a project partner do your share of the work
- Plagiarism: Written work needs to reflect a student's ideas, organization, punctuation, and sentence structure
- Checking one's own work with deliberate inaccuracy

The consequences of cheating will be:

1st incident

- Zero on test/assignment
- Parent contact
- Report to administration

2nd incident

- Zero on test/assignment
- Parent contact
- Report to administration
- Silent supervised lunch and recess
- Time to Think form

3rd incident
